Sporting Summer Camps

Over the summer holidays over 70 children attended our Sporting Summer Camps. These ran on week 1 and 5 and covered a wide variety of sporting events, with some children experiencing a combination of sport with English and Maths sessions.

Feedback has been extremely positive with children enjoying their time in school.

The plan is now to continue holiday provision throughout the year with a week in October, June and in July/August. We will send out information once plans are finalised and will strive to find the most cost effective solution, yet at the same time offering a super quality of provision for the children.

SAFE AND RESPONSIBLE PARKING

Could we politely remind parents not to park on the double yellow lines, zig-zags and turning circle on Aloe Field View, Mozeley Drive and Occupation Lane. There have been a number of complaints over recent weeks that there have been a several occasions where dangerous or illegal parking have almost caused either a collision with another vehicle or, even worse, with a child or another parent. Our main priority is to keep our children at Whitehill safe. Thank you for your support.

Diary Dates

Monday 19th September – School closed

Tuesday 20th September – School reopens

W/C: Monday 26th September – Optional parent meetings

Friday 14th October – School closes for half-term

Monday 31st October – School reopens

Tuesday 15th November – Reception 2023 Intake Parent's Opening evening.

Thursday 17th November – Reception 2023 Intake Parent's Opening evening.

Thank you, your Majesty!

On behalf of the school community, Whitehill would like to acknowledge Her Majesty's incredible life and devotion to service throughout her 70 year reign.

The children have experienced age appropriate assemblies and activities to celebrate her life. We aim to capture the children's work and create a school banner which will go in our Jubilee, now memorial garden, found outside the main entrance to school. As a result of the funeral being declared a bank holiday, children will return on Tuesday.

Groovy Greeks!

On our very first week back at school, Year 4 enjoyed a fun-filled day of Ancient Egyptian crafts, drama and food tasting! Everyone had a fantastic day and learned so much about what life was like thousands of years ago in Egypt. The children dressed as guards, archers, Kings and queens. They made pots, jewellery and painted their names in hieroglyphics. Thank you to all the parents for their contributions and to the staff for ensuring the children had an amazing start to their new topic.
